About us:

We offer outsourcing of IT services since 2018. Back then under the name: "ITVSC". We focused on implementing SAP Business One and Windows and Linux server administration - which we provide to this day. In 2020, we became part of IT CASO Ltd.
We support:

| Windows Server | Debian | Red Hat | CentOS | SUSE Enterprise | Ubuntu Server |

Services range:

IT Outsourcing: HelpDesk, Onsite support, network management and server's administration.

Implementations: VoIP systems, ERP systems - SAP:BO HANA/SQL, Workflows, Office 365, Domain Controllers, Mail servers, Backup solutions, Virtualization, PXE servers, Encryption servers and services.

Also: Security audits and hardening, UPS and policy configuration, Server colocation, Services and server's hosting.

| Server Administration | IT Consulting and infrastructure planning | Services monitoring | Systems and devices implementations | IT Support |
